Altar Server
Parent/Guardian Permission Form

Altar serving is an important ministry of the Church in which children can become more actively engaged in the Mass. By volunteering to be an altar server your child is taking a more active role in his or her faith. This commitment is a responsibility that he or she will need **your support** to fulfill. Altar Servers need to be at Church 15 minutes early on the day that they are serving Mass. If an altar server knows in advance that he or she cannot make his or her scheduled time it is up to that individual to find a substitute.
